OXFOLIATION™

BENEFIT: EXFOLIATION
+ OXYGENATION

Glo₂Facial OxyPods react with Primer Gel to gently exfoliate the skin and create a bubbly, CO₂-rich environment on the skin's surface. The body responds by sending a surge of oxygen to the skin, which creates ideal conditions to nourish and transform the skin from the inside out.

LUX

BENEFIT: NOURISHMENT

Lite Ultrasound Xperience creates micro vibrations that instantly smooth the skin and increase the permeability of the skin's protective layer, enabling better nutrient absorption.

DETOX

BENEFIT: LYMPHATIC DRAINAGE

A relaxing hands-free lymphatic massage sculpts the face, delivering instant reduction of redness and puffiness while infusing active ingredients even deeper into the skin.

BODY BUBBLES

CHEST & NECK

Revive and rejuvenate your most delicate skin to reduce fine lines and maximize nourishment.

BACK & BUTT

Banish bacne for good while simultaneously unifying skin tone to reveal bright, beautiful skin.

LEGS

Smooth and hydrate your legs so all of life's moments are red carpet moments.

BIKINI LINE

Say goodbye to razor burn, brighten hyperpigmentation and reduce ingrown hairs.
